

The New England Journal of Statistics *in Data Science*

Sponsored by the New England Statistical Society (NESS)

COPYRIGHT TRANSFER FORM

Title of Manuscript: _____

Manuscript ID Number: _____

Author(s): _____

Corresponding Author: _____

Transfer of Copyright by Contributors to NEJSDS Non-U.S. Government Employee

NOTE:

- This section only applies to non-U.S. government employees. U.S. government employees who is not subject to copyright should sign the next section.
- Please do not substitute company or other forms for this form. If your manuscript was prepared as part of your job, the form must be signed by an authorized representative of your employer.

Whereas the New England Statistical Society (NESS) desires to publish the manuscript named above in the *New England Journal of Statistics in Data Science*, the undersigned, as the owner of the copyright in this work, hereby grants and assigns exclusively to NESS all rights, title, and interest in and to the above manuscript now or hereafter protected by the copyright laws of the United States and all foreign countries, including, but not limited to, the right to prepare derivative works and the right to publish, reproduce, lease, copy, and distribute the manuscript (in all forms and all media, whether known at this time or developed at any time in the future), and to sell the manuscript, extracts, or excerpts in its own name in any language without limitation as to territory. In return for this assignment of copyright, NESS grants to the undersigned the right to reproduce the manuscript separately and in any book of which the undersigned is author or editor, subject only to giving written acknowledgment on the manuscript and in the book of the original publication of the manuscript by NESS. NESS also grants to the undersigned the right to place the submitted, author-prepared version (preprint, prior to peer review) of the manuscript on the author's own home page, on the intranet or institutional repository of the author's institution or company, provided there is acknowledgment of submission and a link to the official journal site. The final, accepted, author-prepared version may be posted in all places listed 12 months after publication in the journal. In addition, authors may also use the publisher-supplied PDF for posting in e-reserves, so long as it is also only within the author's institution.

Through signature below, the undersigned (1) signifies acceptance of the terms and conditions above (2) confirms authorization from all co-authors to sign this form as an agent on their behalf and (3) guarantees that all or any portion of the manuscript named above has not been published previously elsewhere or infringes any copyright, violates any property rights, or contains any scandalous, libelous, or unlawful matter. If all or any part of the manuscript has been published previously, the undersigned affirms that the previous publisher no longer has any publication rights or any other rights in or to the work.
